

WSU Extension / CE Meeting

Join us at the Fairway Café, 1726 Front St, Lynden, WA for a dinner meeting on **Wednesday, July 19th** from 6pm-8pm.

Hear about some current research project updates:

- What is a cow death worth?
- What are those calves really getting sick with?
- Can we use genomics to create a more fertile herd?

Presented by Dr. Dale Moore & Dr. Craig McConnel

Veterinarians - Earn 2 CE credit hours!

Producers - Join us for a social and educational program.

Please RSVP to Katy Heaton by Monday, July 17th by e-mail, ktellessen@vetmed.wsu.edu or by phone, 509-335-8221.

This program is brought to you by:
